The Society welcomes friends and members to our
Spring Production and we hope you will have an
enjoyable evening with us. In tonight's play, a typical
Lancashire comedy we see Diane Hutchinson graduate
from the Junior Thespians. We also welcome John and
Roy Harrison to our backstage staff, John and Roy
are taking over from Mike Duckworth on Lighting and
Effects. We thank Mike most sincerely for his hard
work and support over many productions.

We are indebted to our Subscribing Members for their
loyal support and would welcome new Subscribers and
Actors.

Subscriptions for 1984 are now due.
