WELCOME TO OUR AUTUMN PRODUCTION which, this year, takes the form of 3 One Act Plays, something different from our usual presentation. Each play is in complete contrast, and the whole production has proved quite a challenge for the cast. The Stage Manager and his Staff have provided us with not ONE scene change, but TWO, and Lighting and Effects has produced some really interesting lighting in "Between Mouthfuls". We have invited Altrincham Young Farmers to join us with their Mini-Panto "Cinderalfred". At the time of going to press they have accepted, and we hope their heavy Club commitments will allow them to be with us tonight.

The Committee want to thank all members who helped to make Members' Night such a success. Particularly they want to thank the ladies who made the Hot-Pots and bread rolls. Congratulations must go to the 'Junior Thespians' for their excellent entertainment under the direction of Brenda Clare. Everyone must be looking forward to their next production.
