Viola and Sebastian are twins who are shipwrecked off the coast of Illyria. Each twin thinks the other has drowned. Disguised as a young man and calling herself Cesario, Viola becomes Page to Orsino, Duke of Illyria. Her duty is to win the love of the beautiful but cold Olivia for the Duke. But Viola, now in love with Orsino herself, becomes the object of Olivia's affections.

What with romantic confusion and the wild antics of some members of Olivia's household, much fun ensues.
